

River East 2nd Grade

Welcome to 2nd Grade! Our names are Ms. Margaret, Ms. Louise and Ms. Amanda and we are very excited to be your 2nd grade teachers. During the first few weeks of school we will spend a lot of time getting to know each other, but we wanted to tell you a little bit about ourselves first.

Ms. Margaret

Ms. Margaret enjoys spending time with her family, especially her niece and nephews. She likes running, learning about history, and traveling. Her favorite animals are manatees and mountain gorillas.

Ms. Louise

Ms. Louise likes playing board games, trying new food, and spending time with her family and friends. She also enjoys running with her two Australian Shepherds, Cash and Kona, and swimming at the local pool.

Ms. Amanda

Ms. Amanda enjoys adventures with her family, family game nights and trying out new recipes. She also spends a lot of time at the pool with her twin girls. Ms. Amanda's favorite color is green and her favorite animal is elephants. She can't wait to learn about some of your favorite things!

Second grade is going to be a challenging but fun year. We continue to learn more advanced phonics to help us read and spell longer and trickier words. We learn about exciting topics like cycles in nature, habitats, and weather! In math, we will build on our knowledge of addition and subtraction with numbers up to 1,000 (whoa!) and many more math skills. Second grade Social Studies is so exciting, as we will learn all about NYC today and how it has changed over the last 400 years! We take lots of great field trips in second grade, too! We can't wait to learn, have fun, and make lots and lots of memories with you.

We are looking forward to seeing you all on the first day of school on Thursday, September 10th!

Get ready to learn, make new friends, and have a great year!!
