

Welcome to River East 3-K!

Ms. Claudia Ms. Jackie Ms. Monica Ms. Elizabeth

Dear Families,

Welcome to River East 3-K. This year we are excited to watch them become independent learners, problem solvers that absolutely adore school for the first time as a class! We are also excited to meet new faces this year who are joining our classroom community!

The two teaching teams will be Ms. Claudia and Ms. Jackie in room 146 and Ms. Monica and Ms. Elizabeth in room 151.

Ms. Claudia has been working in early childhood at River East for the past six years and older grades before that. She loves to spend time outdoors hiking, exploring the city and with her family.

Ms. Jackie is a veteran paraprofessional who has been working at River East for her whole professional career, most recently in early childhood with Ms. Claudia. Ms. Jackie is a Harlem native, loves to dance, read, and do art and cannot wait to share her love for learning with your children.

Ms. Monica is a bilingual teacher who loves to guide and further facilitate resources in helping your children be successful. This is her fifth year at River East and is looking forward to watching your child achieve milestones, have adventures and create! Ms. Monica loves the color red, writing, tacos and winter!

Ms. Elizabeth is also a bilingual paraprofessional and has been working in early childhood classrooms for many years. She enjoys quality family time, going to the beach and reading. Her favorite food is grilled chicken with salad.

We know that this beginning of school will be a huge transition for your students and we are excited to prepare them for a new environment, friends, and routine. Over the summer please make sure you talk about the new routine of school coming up, prepare them for independent tasks like cleaning up, playing alone or with friends, and being responsible for their belongings. 😊

Can't wait to see you all soon,
The River East 3-K Team
