Dear Pre-K Families,

Welcome to Pre-K 4! We are honored and so excited to begin this journey with you. Our teaching teams are **Ms. Lacey with Ms. Joyce**, and **Ms. Jeraldin with Ms. Glennys**. We know that the beginning of the year can be a huge transition for you and your children. Below are links to support you and your child as they adjust to school.

In Pre-K, the children will have many opportunities to learn through hands on experiences as they explore the centers in the classroom. We will dive deeper into various concepts and topics. They will discover more about themselves, their peers, and community. Families, you are the experts on your children and we look forward to working together to best support them in their growth and development.

"We are a part of something much greater than ourselves."
